

# JUSTIN HEISLER

## FullStack Developer

## ABOUT ME

I am a highly motivated and dedicated professional known for my exceptional problem-solving skills. With a deep and comprehensive understanding of React, I bring a wealth of knowledge and expertise to any development project. My unwavering enthusiasm for tackling challenges drives me to constantly seek new opportunities to contribute and excel. Eager to assist and make a meaningful impact, I am committed to leveraging my skills and passion to drive the success of projects and deliver outstanding results.

## EXPERIENCE

### MMHG (DEVELOPER)

2021 - 2023

- Developed a React/Node application
- Recruited and mentored new hires
- Managed tasks from design and server teams
- Created clean code practices

Exercised proficiency in the development of novel and advanced features for webpages, adeptly troubleshooting and rectifying bugs and errors. Skillfully incorporated state-of-the-art technologies to enhance performance, and consistently prioritizing the utilization of industry best practices to ensure exemplary code quality.

### LAND SURVEYING

2010 - 2020

- Worked in industrial/commercial/residential
- Lead teams of 2 - 20 people
- Conferred with Clients to meet expectations
- Managed large scale projects

Successfully conducted comprehensive field surveys for industrial, commercial, and residential projects. Meticulously drafted detailed notes and diagrams, efficiently managed teams on larger-scale projects, and adeptly collected data for office analysis.
